Terms & Condition for Solar

Purchase & Install Solar Panels with Econnex Comparison and Receive 6000 KrisFlyer Miles.

The upfront payment will be debited as a fixed deposit, which will be seamlessly adjusted within the total installation cost.

Econnex Comparison will require bank information in order to complete the promotion.

Econnex Comparison is undertaking this offer on behalf of the retailers.

This offer is available to all customers/properties who have not yet installed solar panels.

You must be an authorized person of the property to apply and install solar on the property.

Econnex Comparison will transfer your Solar installation request and details to the selected installer. They will get in touch within 48 hours, to verify the details and provide a welcome email.

You will have a 10-business-day cooling-off period, it begins on the first business day after the agreement is signed.

Installation of Solar Panels will be done within 30-45 days from signing of contract, applicable for houses, and the house where we can install solar etc.

An email with your solar proposal will be sent to you along with a price fact sheet and terms and conditions for the installation.

Econnex Comparison may also contact you to clarify any details or discrepancies in the information you provided.

To cancel your request, you will need to get in touch with the "Installer" and inform them of your decision.

It is important to note that if you cancel your request after the cooling-off period has ended, you may be subject to fees or penalties.

The application of the State Rebates is conditional on fulfilling specific requirements and providing required documentation to state authorities. Please inquire with the installer for additional details.

Please note that the information provided is generated by our AI system is an estimate and may vary depending on factors such as roof size, material type, number of building floors, and presence of roof shading. These specifics will be determined upon inspection by the installer.

Please note that we do not compare all brands in the market or all products offered by all brands.

If you require any changes to your installation request, or have any inquiries regarding your installation request, you can contact us directly on [1300365767](tel:1300365767) or email us at
